We have purchased of 312 Nos. 12V – 100 Ah Tubular Batteries from you. These batteries have been installed along with Online UPS in the month of January / February, 2013 at 52 Branches of Belgaum District Co-Op. Bank.

Most of the branches are in rural area at these places there is frequent & heavy power cut. All these batteries are performing very well and we are not getting any complaint or problem.
